

You have been awarded our prestigious Berkeley Fellowship!

Dear Zeyu,

Congratulations! I am delighted to learn that you have been awarded our prestigious **Berkeley Fellowship for Graduate Study**. This fellowship is **offered only to UC Berkeley's top admitted doctoral students**, and you should feel incredibly proud. I join our faculty in applauding your distinguished academic record and am confident that Berkeley is a place where you will continue to flourish and excel.

Priority Housing & Relocation Stipend

As a Berkeley Fellowship for Graduate Study recipient, you will also be given priority for university housing. Information on housing options can be found on the [Campus Housing](#) and [International House](#) websites. Please apply as early as possible for these housing options, as space is limited.

Additionally, you will receive a \$1,500 relocation stipend as a supplement to your Berkeley Fellowship to assist with your transition to Berkeley.

In a separate letter, your department has provided detailed information on your funding package, including any terms and conditions to receive the award.

If you have questions about your funding package, **please contact Glenna Anton at ganton@berkeley.edu**. Your department advisors in the Computer Science PhD Program can assist you with program and funding-specific academic and fellowship planning.

On behalf of our University, I extend a warm and sincere welcome. We look forward to greeting you in Fall!

Sincerely,

Lisa García Bedolla
